

VU Online Master's Event

Available study programmes during the Online Master's Event

 Use the live chat to chat with our students, teachers and staff from 15:00 - 19:00

 Get personally acquainted with the study programmes through Zoom sessions. In the schedule, you'll find the different times of these sessions. You'll get the session details on the study pages of our open day platform.

Live session programme

The following live sessions can be found via the virtual lobby. If you want to participate, please make sure you are present in the session a few minutes before the start of the session.

[International students information session \(EN\)](#)

Session at: 16:00
